Manglik Vichar

In the boy's or the girl's horoscope, when Mars is in the ascendant, fourth house, seventh house, eighth house, or twelfth house, it is called Manglik dosh.

**Lagne vyaye cha patale jamitre chashtame kuje.
Stree bhartuvinasham cha bharta cha stree vinashanam. .**

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with the Moon in the ascendant. If, according to the Shastras, the Manglik dosh of both the boy and the girl is cancelled, they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled, they are likely to face unnecessary problems and hurdles in life. Therefore, one must begin his married life after getting the horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled, the native shall be bestowed with a peaceful and wealthy life.

In your horoscope, Mars is placed in the twelfth house from the ascendant. Therefore, you are a Manglik, and since this dosha is not cancelled in your horoscope, you will tend toward extravagance due to its influence.

This may occasionally put you in a financial crisis. However, you will generally maintain a strong financial position. Your physical health will be good, but you may remain mentally restless and tense. There may be hurdles on your path to success, but you will be able to overcome them. Your wife's health will be average, but she may be slightly aggressive by nature, leading to disputes that will never become

serious. To lead a luxurious life, you may have to overcome certain obstacles.

Due to the effect of Mars, your marriage may be slightly delayed. Even at the time of settlement, there may be breaks. However, your married life will be peaceful and harmonious.

Due to the placement of Mars in the twelfth house, you will tend toward extravagance, yet you will be able to earn significant wealth. You will also be capable of overcoming hurdles on your path to success. With the effect of Mars' aspect on the third house, you will receive happiness and cooperation from your brothers and sisters to some extent. You will achieve success in your field of work due to your inner strength and valor. Because of Mars' aspect on the sixth house, you will defeat all your enemies. However, you may suffer from diseases caused by excessive heat or bile. Due to the effect of Mars' aspect on the seventh house, your wife's health will be average and she will be aggressive by nature, but you will get along well with her.

To make your married life happier, you must marry a girl whose Manglik dosha is cancelled. For this, in the girl's horoscope, malefic planets such as Saturn and Rahu should be placed in the Manglik houses, namely the first, fourth, seventh, eighth, and twelfth houses. In this case, you will lead a luxurious, happy, and comfortable life.
